9. [REDACTED] Delivered to Martha Talley, Researcher, House Committee on Standards of Official Conduct, sanitized notes she had taken on [REDACTED] files during the weeks of 31 October and 4 November in the C&R conference room.

10. [REDACTED] LIAISON Received a telephone call from Peter Stockton, Researcher, Subcommittee on Energy & Power, House Committee on Interstate & Foreign Commerce, who wanted a report on progress made toward a [REDACTED] briefing for the Subcommittee. I advised him that the letter from the Director to Chairman John D. Dingell (D., Mich.) --which we had discussed earlier--was presently on its way into the Director's office for signature. I assured Mr. Stockton I would keep him informed of developments as they occur.

✓ 11. [REDACTED] THIRD AGENCY Received a telephone call from Michael Smith, NSA, who inquired into the procedures we have followed in clearing congressional staffers in accordance with [REDACTED] I gave him the information he needed.

12. [REDACTED] FOIA Leda Barnes, in the office of Representative John LaFalce (D., N. Y.), called on behalf of a constituent wanting information on the CIA drug program. I suggested that the constituent ask for the information under the FOIA and provided the proper mailing address.

13. [REDACTED] LIAISON Met with John G. Stewart, on the staff of the Senate Committee on Commerce, Science and Transportation, to brief him on compartmented clearances for which security approval has been granted. Stewart executed the appropriate secrecy oaths.

14. [REDACTED] LIAISON Sent to Susan Wilhelm, in the office of Representative Dale E. Kildee (D., Mich.), the unclassified Agency publication entitled "World Steel Market Continued Trouble Ahead," per her request.
